These workshops are valid from the date of this letter through the end of the next biennial licensing cycle (August 31, 2024) provided there are no substantial changes such as course content, length, presenter or course delivery. If you have such a change, you are required to submit the application as a new application through the initial approval process.

Should you plan to conduct your workshops after the approval date expiration referenced above (August 31, 2024) you must submit a renewal request on line. Renewals will be accepted from March 1 – May 31 of the year of expiration on our Web site: www.naswnj.org.

As a sponsor of an approved course through our program, you must place the following statement on all publications for social work continuing education courses, as well as on the certificates of attendance:

“This course, [Insert Workshop Title], Approval #[Insert Approval Number], provided by NEFESH: The International Network of Orthodox Mental Health Professionals, is approved for continuing education by the New Jersey Social Work Continuing Education Approval Collaborative, which is administered by NASW-NJ. CE Approval Collaborative Approval Period: February 11, 2022 through August 31, 2024. New Jersey social workers will receive [Insert CE Credits] CE credit for participating in this course.”

Thank you for applying to the CE Approval Collaborative. We encourage you to continue to submit quality continuing education programs for New Jersey social workers through the CE Approval Collaborative.

Sincerely,

Jennifer Thompson, MSW
NASW-NJ Executive Director
